1988 - 89 RECREATION DEPARTMENT STUDENT EMPLOYEES

Dear Mansfield Mounties,

I look forward to the 89-90 school year. In particular, I look forward to the growing plans for a new FITNESS AND RECREATION CENTER. A facility like this will add greatly to the quality of our campus life.

I would like to encourage all those who have been active participants in the past to join in the fun again this year. I encourage our new students to get involved. For some, it might mean trying something completely new. Take the risk, join in some of the activities that the Recreation Department provides.

My THANKS to all the students who did outstanding jobs last year as lifeguards, scorekeepers, officials and in particular student secretaries Tricia Duda, Carleen Champlain and Abby Gale Porter.

Lastly, I want to invite anyone who thinks that they have a good idea to bring it to me. You may well have an idea that allows us to make the Recreation Department an even better program as we strive to serve the campus needs.

Sincerely,

A. Hugh Schintzius

It is not the critic who counts,
and not the man who points out how the strong man stumbled,
or where the doer of deeds could have done them better.

The credit belongs to the man who is actually in the arena,
whose face is marred by dust and sweat and blood,
who strives valiantly,
who errs and comes up short again and again,
who knows the great enthusiasm, the great devotion,
and spends himself in a worthy cause,
who, at the best, knows the triumph of high achievement,
and who, at the worst, if he fails, at least fails while daring
so that his place shall never be with those cold and timid souls
who know neither victory nor defeat.

Nature requires that we should be able
not only to work well, but to use leisure well.

Leisure is the first principle of all action
and so leisure is better than work and is its end.
As play, and with it rest, are for the sake of work,
so work, in turn, is for the sake of leisure.

- Aristotle

HOW DID YOU PLAY ?

How did you play when the game was on,
when the odds were great and hope was gone?
When the enemy team with aim so true,
was dragging the victory away from you.
When strength and speed and endurance quit,
did honor keep pace with determined grit?
Did you keep the faith with the rules of the game?
Did you play up square without fear or shame?
Did your smile or cheer make the team your friend,
as you fought it through to the bitter end?
Did your self-respect rise a notch or two?
Are you a bigger man now that the game is through?

- William Ralph LaPorte
